

SALVADOR FOUNDATION AND VARIOUS LOCAL FOOD BANKS

2025-2026

The Salvador Foundation is committed to serving God by bringing together people from all walks of life for the common cause of helping our fellow man. We, as the body of Christ, have a responsibility to care for those in need. By helping and enabling people one project at a time, our goal is to share encouragement, hope and faith.

Local Involvement

Small Acts, Big Impact

While the Salvador Foundation's work spans from the U.S. to Guatemala to Northern Ireland, our board members are passionate about serving their local communities. Each year, our board members make a direct, personal impact in their own neighborhoods by selecting and delivering nonperishables to food banks local to them. One of our board members is a veterinarian and used this opportunity to help our neighbors with paws by donating dog food to an animal rescue that helps senior dogs.

In 2025, this resulted in over \$6,000 worth of donations to food banks in Tennessee, Colorado, and California.

We are proud to see how these local acts of service build a bridge between our international mission and the neighborhoods we call home.
